

MIAMI-DADE EXPRESSWAY AUTHORITY (MDX)
AESTHETIC ENHANCEMENT POLICY

PURPOSE

It is the policy of the Miami-Dade Expressway Authority to incorporate aesthetically pleasing features into its facilities to enhance the quality of life for the citizens of and visitors to Miami-Dade County. Enhancements shall mean but not be limited to: greenways; bike paths; roadside parks and rest areas; water bodies and lake way; noise mitigation features or structures; landscape and xeriscape improvements; large scale public art; and unique and aesthetically pleasing architectural features of the MDX system.

SPECIFIC REQUIREMENTS

1. Authority staff shall implement this policy through the development use an Aesthetics Enhancements Manual.
2. The Authority will confer with Miami-Dade County's Community Image Advisory Board (CIAB) and Transportation Aesthetic Review Committee (TARC) in the development of enhancement plans for specific projects.

This policy shall be effective on the date in which it is adopted by the Governing Board and at such time this Policy rescinds all previous policies relating to MDX System Enhancements and Aesthetics.
