- These hourly rates are intended as an upper-limiting amount. In the event the Consultant's actual staff (Prime and/or Sub) hourly rate falls below the MDX established rate cap, then the actual staff hourly rate shall be utilized. In the event the actual staff hourly rate exceeds the MDX established rate cap, then the MDX established rate cap shall take precedence. Certified payroll information shall be submitted for any staff member (Prime and/or Sub) utilized to perform the Services for the Contract in order to provide a basis in determining billable staff hourly rates.
- Specialized classifications not included within this Rate Schedule of Established Caps shall be negotiated with the Consultant should such services be required for the Contract.
- Personnel shall meet the minimum qualifications for the classification to which is assigned.
