

CONSTRUCTION EQUIPMENT OPERATORS & WORKERS NEEDED

As part of its Career Enhancement Program, MDX offers the following information to individuals looking for a job in the construction industry with the required skills and qualifications as further detailed below.

Central Florida Equipment Rentals, Inc. (CFER) is a construction company established in South Florida since 1977. CFER is not under contract with MDX, but has over 20 active projects and a large FDOT project waiting to start. Operators for a variety of construction equipment and construction workers are needed by CFER to work on these projects.

MDX is not involved in any portion of the hiring process and these laborers shall become employees of CFER without any affiliation to MDX. MDX is merely facilitating the dissemination of this information in furtherance of its goals to help create jobs locally in Miami-Dade County.

Interested individuals with the required skills and experience are encouraged to submit their resume to the Contact Person listed below. Please do not submit resumes to MDX.

Available Positions:

- Motor Grader Operators
- Excavator Operators
- Dozer Operators
- Front End Loader Operators
- Pipe Layers

Required Experience:

A minimum two (2) years of experience working as an operator or pipe layer in the Construction Industry.

Compensation:

The hourly wage compensation varies depending on level of experience and qualifications of the individual. Employee benefits are provided.
